

“The Essence of Elegance, Beauty, Peace and Tranquility”

‘Makan Angin’

Better known in the western world as ‘having a holiday, strolling around’! But ‘eating the wind’ may be just what you do at the “SARI PACIFICA” resorts - the newly launched Malaysian global tourism brand - involved especially in the development and management of up-market luxury boutique hotels, resorts and spas.

The essence of elegance, beauty, peace and tranquility is offered at all the Sari Pacifica Resort & Spa locations; Redang Island, giving you access to some of the best diving and snorkeling sites in this part of the world; the island of Sibul (Pulau Sibul), part of a string of islands that form the beautifully preserved “Johor Marine Park”; and last but by no means least at the elegant resort located on Lang Tengah Island just a half hour boat ride from Kuala Terengganu.

WHITE SANDY BEACHES, TURQUOISE WATERS, COLOURFUL MARINE LIFE AND SPECTACULAR VIEWS

If you dream of waking in the morning to an uninterrupted view of a beautiful coastline with an amazing and lush tropical backdrop then this is the place to be. These boutique resorts offer architecture from tropical modern to rustic local traditional Malaysian “kampung style”, with each villa boasting generous space fitted out with luxurious appointments and elegant interior fittings for total relaxation and enjoyment.

Whether it’s snorkeling or scuba diving through a marine park, seeing the coral and swimming with turtles; or island hopping with village walks and jungle trekking through lush tropical vegetation; or playing a variety of beach sports; or maybe just sitting idly by and fishing; or even enjoying a skilled massage in our spa villas; the never-ending choice is yours. And what better after your day than to enjoy the culinary delight of our highly trained chefs in our quality restaurants.
